The financial Condition of the Municipality as per sanctioned budget estimates for 1968-69 is as follows

4) The file relating to the budget estimates of the Mysore City Mlty for the year 1967-68 is put up herewith. The amount of Rs 1000 stated to have been provided for the Literacy Classes therein is not specifically traceable there as perhaps ~~included in the Charges~~ the Rs. 1000 under item xvi in Pt

Rs

5) It is seen from page 6 of the Budget of the Department that a provision of Rs 100 only has been made under "Literacy Campaign" — and a public notice. It is reported that this cannot happen as the Secretary of the Adult Literacy Committee did not also accept the claim

6) It will be seen from the remarks in the - reports for 46 dated 8 12 46 of the Hd that the Committee of the Hd did not Consider the report for the payment of Rs 1000/- for the years 47 and 48 finally, only for the Government portion of the Hd But the Hd have resolved to pay the same the resolution dated 6 / 48 is however not definite nor precise It is from short & cryptic Hd

6) 1-2-40 Secretary wrote at to depend for both the years & if so, how much for each year & the rate at which taken by the Managing Committee appears to be correct, however sufficient data

7 | A | for the rates, it would be convenient to pay the contribute for the year 1940 only, out of the closing balance for the previous year (1939-40) since the previous year & grant has lapsed there was default on the part of the organising Secy for applying for it in time, no contribute thereof is cast for the financial conduct of the Mfg does not warrant this departure from usual course
